Ankit is a highly experienced advocate with over 17 years of legal practice, focusing on diverse areas of law including Arbitration, Energy, Regulatory & Policy, Litigation & Dispute Resolution, as well as Renewable and Non-renewable Energy sectors, and Corporate Law. His legal work spans a wide range of advisory and litigation services, where he assists leading corporate clients and public sector entities in navigating complex legal matters. Ankit's knowledge extends across various sectors, making him a trusted advisor in high-stakes issues such as corporate governance, regulatory compliance, commercial transactions and complex disputes.

He frequently counsels entities on developing sound legal strategies that align with their business goals, ensuring both legal and commercial interests are protected. His litigation practice includes representing clients before various forums, including the Supreme Court of India, High Courts across India, and tribunals such as APTEL, and regulatory bodies like PNGRB, PMLAT, TRAI, RERA, and IRDA.

Recent Key Assignments
