Anjan is a **dual-qualified (India and England & Wales) senior lawyer** specialising in **infrastructure and energy**, with a core focus on **project development and finance, public-private partnerships (PPPs), government contracts, and public procurement**. He advises clients across the **entire lifecycle of capital-intensive projects**—from development and financing to construction, operations, M&A, and disputes.

With **over 24 years of experience**, Anjan regularly advises **international and domestic banks, financial institutions, funds, multilateral agencies, sponsors, developers, investors, and governments**. He is currently advising on some of **Asia's largest and most complex infrastructure and energy projects**.

His experience spans **roads and highways, sea links, ports, airports, power projects (conventional, solar, wind, hydro, and hybrid), waste management facilities, metro and rail networks, smart cities, special economic zones, oil and gas facilities, healthcare and social infrastructure, agribusiness, educational institutions, telecommunications networks, battery storage and EV charging infrastructure**, and other major infrastructure assets. Anjan is also actively advising on **energy transition mandates**, including **corporate decarbonisation, green hydrogen, and carbon credits**.

Anjan has **extensive international experience**, having trained and worked with leading global law firms including **Norton Rose Fulbright (Toronto)** and **Herbert Smith Freehills (London)**. He has also worked with **Trilegal** and **HSA Advocates** in Mumbai, as well as with the **Centre for Innovation Law and Policy, University of Toronto**

Anjan regularly **writes and speaks on energy and infrastructure, banking and finance, project finance, PPPs, and restructuring and insolvency**. He has a strong academic background and is a recipient of multiple **awards and scholarships for excellence in law**. He has a keen interest in teaching and has served as a **visiting faculty member at leading law schools in India and overseas**.
