Ashish holds more than 14 years of experience on matters pertaining to Insolvency & Restructuring and Banking & Finance including investment in stressed assets, mergers and acquisitions of stressed and insolvency assets.

He has been advising a variety of clients on insolvency and restructuring matters including corporates, the investors, the banks, NBFCs, asset reconstruction companies, AIFs, other financial institutions, resolution professionals, liquidators, etc. Ashish has successfully advised many acquirers on acquisitions of the assets which are financially stressed and of assets in insolvency resolution and liquidation.

He has also advised many stressed asset and special situation AIFs for investment in financially stressed companies through structured investments, non-convertible and convertible debentures both listed and unlisted.

Ashish regularly advises banks, non-banking financial companies, financial institutions, debt funds, etc. for structured financing of corporates, project financing, etc. He has also handled many matters of mergers & acquisitions, private equity, strategic investments, joint ventures and investment restructuring in the infrastructure sector.

Ashish regularly writes on the legal issues relating to Restructuring and Insolvency and Banking & Finance.

Ashish graduated in 2010 from Gujarat National Law University which is one of most premier law universities in India and since then he has been with DSK Legal.
